

THE ASSOCIATION OF LATIN AMERICAN AND THE CARIBBEAN REGISTRARS –ASORLAC- is a non-profit association pursuing to promote regional integration of Business Registrars of Latin America and the Caribbean and as a result, it propends to strengthen competitiveness in the business sector.

ASSOCIATION OF LATIN AMERICAN AND THE CARIBBEAN REGISTRARS (ASORLAC)

OBJECTIVES

To promote and facilitate the exchange of information of its Member's registration systems

To foster collaboration, cooperation and discussion between its Members, in particular on topics related to the administration of business registrars

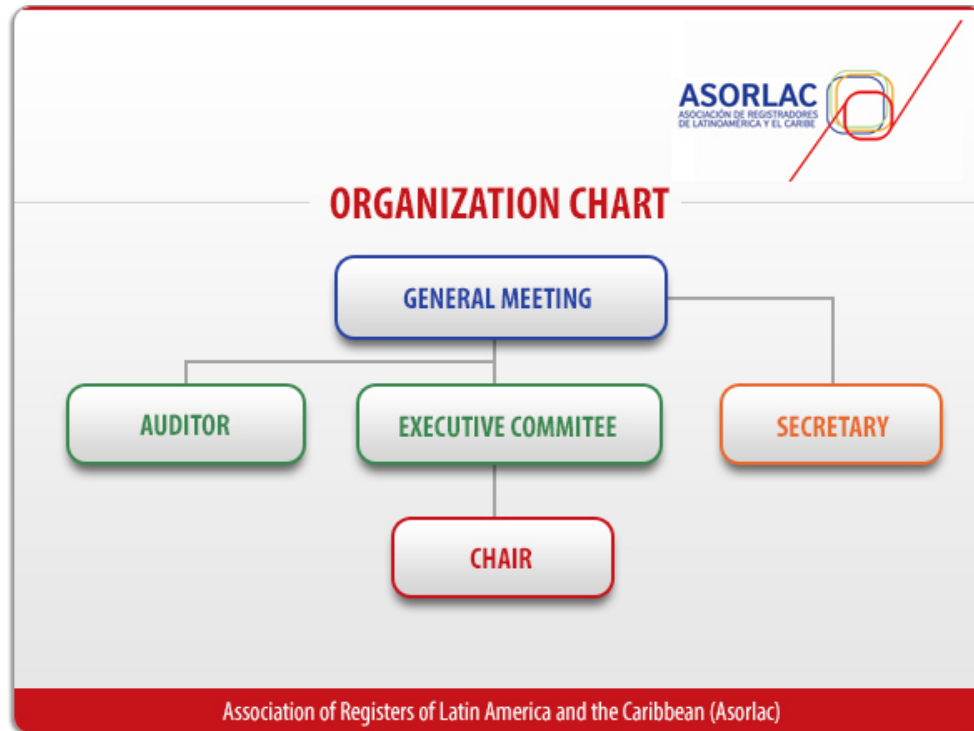

To identify and overcome issues or problems that could prevent the efficient and effective management of records

Promote alliances or cooperation agreements with other international organisations in the management of business registrars

BENEFITS

- Access to information on regional and international best practices in records administration
- Common place to hold discussions and share experiences in public records administration
- Take part in regional integration, and improve the competitiveness of the business sector in Latin America and the Caribbean
- Propose programmes and activities to generate synergies between ASORLAC Member countries, to improve public records administration systems in Latin America and the Caribbean
- Be part of ASORLAC's Annual Conference
